Since 6 April 2000, charities have been able to claim back tax relief on donations/subscriptions/gifts made by UK taxpayers. This means that every donation/subscription/gift is now worth 25% more than before, turning a £100 donation into £125. Letting us claim back tax on your donation/subscription/gift will not cost you anything extra.

I know that I must pay an amount of income/capital gains tax at least equal to the tax the charity reclaims on my donations in the tax year (currently 25p for each £1 you give).

1. You can cancel this declaration at any time by notifying the charity.

3. If you pay tax at the higher rate you can claim further tax relief on your self-assessment tax return.
