

## Creative Brighton Exposed, Theatre Royal, Brighton

### Saturday 29 September from 10am to 12.30pm

#### Event background

Creative Brighton Exposed is part of the Older People's Festival in Brighton which takes place from 25 September to 8 October. The Festival is the city's biggest event for older people with over 4000 taking part last year. The Festival intends to celebrate all things 50+ and to increase awareness of different groups around the city. Information about the event is distributed city wide.

Two Rotary Clubs (Brighton and Hove Soiree and The Brighton Rotary Club) have developed an event suitable for all ages that will take place at one of Brighton's premier locations, the Theatre Royal, Brighton. The event will celebrate creative activities including writing, music, art and drama and will pay tribute to dramatic history in Brighton via a tour of the theatre. The morning will also provide an insight into Rotary's activities in Brighton and provide an opportunity for members of the public to find out more about what we do. Coffee and tea will be served. Open to people of all ages.
